DANDRUFF. I have used less than a bottle. The dandruff and the irritation which caused it, have entirely disappeared, and my hair was never before in so condition.

A. A. FULLER.

Since the recent use of your "Cocoaine," my previously bald head has been covered by a luxuriant growth of hair. I had always esteemed your preparation as a dressing, knowing many persons who regarded it very highly as such, but never before knew how valuable it was as a restorative.

J. G. LEWIS.

IRRITATION OF THE SCALP. WATERVILLE, ME, Sept. 15.

I purchased a bottle only, for the purpose of a hair dressing; but, to my surprise, it has entirely removed the irritation of so long standing. I have recommended it to several of my friends, who were afflicted in the same way, and it has wholly irradicated the disease.

JOSEPH HILL, Ju. HAIR-DRESSING.

New York, Sept. 22.

For some time past I have been using your Cocsaine, and think it far preferable to anything I have ever used for the hair.
